

## Lunch in the Burnley Campus Gardens

Join us as we celebrate the beginning of the festive season and the close of 2020. Burnley Gardens is the perfect horticultural setting to enjoy a sumptuous individual grazing platter, provided by the wonderful Jess and Malia from Sister Friend Catering.

Featured, will be live music from Harpist Emily Rosner of The Harp Lab. Our Speaker for the occasion is Inge Jabara. Director and head horticulturist of Inge Jabara Landscapes, and recurrent landscape expert on The Block!

We'll eat, drink and be merry while hearing some inspiring anecdotes from a leading lady of horticulture and landscape design.

**Date:**

Sunday, December 6, 2020
