

Vertical Gardens, a Webinar presented by Kaye Roberts-Palmer from Blue Bee Garden Design

Tuesday 13th July, 7.30pm

Vertical gardens have enjoyed a rise in popularity and are a great solution for the courtyard or small garden. This session is an introduction to vertical gardens - their history, different types available and how to start one of your own.

Kaye is a Garden Design Consultant at [Blue Bee Garden Design](http://BlueBeeGardenDesign.com.au) and is a well-known Melbourne garden presenter and garden writer. Kaye has featured on numerous radio gardening programs and received a Community Award for Saving our Citrus Campaign in 2017.
