

Beekeeping Webinar Tuesday 28th September, 7.30pm

Beekeeping and the importance of bees have been in the media a lot lately, and you might be curious to know more. Now is your chance!
If you're considering a beehive for your backyard, or maybe you're concerned about the life of a superorganism or Australia's native bees - send in your questions and join our webinar!

Bec Bennett of Annan Homestead has a passion for bringing plants, bees and people together. She has spoken to many different groups on the general topic of bees and beekeeping and how to support pollinators in the garden.
